Why contractors buy through us

One vendor, one invoice

Fence, materials, and cleanup on the same account, with one contact who knows the job.

Fast numbers

A priced quote within one business day, sooner on bid day. We tell you what we can't supply instead of going quiet.

One point of contact

We price it, order it, track the shipment, and chase the paperwork, so you deal with one vendor instead of five.

Paperwork with every delivery

Certificates of compliance, mill certs on steel, and submittal data on equipment, available with every delivery.

Local

Based in Loomis, Placer County, and on call across the region.

How ordering works

1

Send the request

Plans, bid item list, takeoff, or a short email with quantities.

2

Get our number

Within one business day, or our questions if something's missing.

3

Schedule

Tell us the install or delivery date; we confirm it in writing.

4

Adjust as you go

Relocations, extra gates, phase cleanups: logged and billed on the next invoice.

5

Close out

Call off-rent with 3 business days' notice. We pull the fence, clean the site, and send the final invoice.

Terms at a glance

- ❑ Fence rent billed in advance every 28 days, net 30. Rent continues until you call off-rent.
- ❑ Setup billed at install, removal at pickup.
- ❑ Materials billed on delivery, net 30.
- ❑ Material pricing held 14 days unless noted; mill and manufacturer increases after that are passed through with documentation.
- ❑ HVAC equipment priced to the specified model; lead time and freight confirmed at order.

Where we deliver

The Sacramento region and Caltrans District 3, on public and private work:

Sacramento · Placer · El Dorado · Yolo · Sutter · Yuba · Nevada, and the rest of District 3. Ask about jobs outside the area.

Our DVBE status

Owned and operated by a disabled veteran. Our DVBE certification with the California Department of General Services is in process; participation credit applies once it's approved. Ask us to confirm credit for your contract in writing.
